HATEMONGERS SMEAR PATRIOTS WHO WARN NATION OF DEFEAT!

World War III threatens security and sovereignty of nation; Hope fast dwindling for United States victory and survival!

CHARACTER-ASSASSINATION SABOTAGING NATION'S DEFENSE!

BY BENJAMIN H. FREEDMAN
FOUNDER 1946, LEAGUE FOR PEACE WITH JUSTICE IN PALESTINE

BENJAMIN H. FREEDMAN

The United States is about to trigger World War III by landing armed forces in Lebanon in violation of international law and the United Nations Charter.

On the day United States armed forces go into action in the Middle East under non-secret or *secret deals with U.S.A. Zionists* the curtain will rise on the first act of World War III figuratively and literally. On that day the Soviet Union will not be sitting idly by on the side-lines as one of the disinterested onlookers judging by the historic ultimatum they issued in the Middle East in 1956 when the armed forces of Great Britain and France acted similarly against Egypt without justification or provocation under international law or under provisions of the United Nations Charter.

These hatemongers preach and practice their unique method of character-assassination against the nation's courageous and self-sacrificing patriots as a defense strategy devised by them expressly to circumvent their exposure. The hatemongers' brain-washing apparatus practices the well-known military strategy that the offense is the best defense. The hatemongers smear the nation's patriots with the hatemongers' "anti-Semitism" smear with the full force of the hatemongers' brain-washing apparatus to discredit this nation's patriots in the eyes of the nation before they awaken the nation to the nation's danger. The hatemongers' "anti-Semitism" smear is the hatemongers' unique method for discrediting the nation's patriots in the eyes of the nation; a method the hatemongers have thus far found invincible and invulnerable. *How much longer will this nation stand for this sabotage?*

The unwarranted persecution maliciously inflicted on me without interruption since 1945 by the hatemongers' brain-washing apparatus because I defied them to tell the nation facts the hatemongers ordered me not to tell the nation, challenges the traditional civil liberties guaranteed by the Constitution equally to every man, woman and child in the United States, the right of free speech, the right of freedom of the press, and the right of peaceful assembly, without the fear of persecution by the hatemongers' brain-washing apparatus with the hatemongers' "anti-Semitism" smear. Unless public opinion is sufficiently aroused to take measures restraining the hatemongers' brain-washing apparatus it will not be long before the nation finds it has lost its traditional franchise to freely practice these rights without which this nation will soon sink into the depths of defeat.

I promptly proceeded to tell the nation everything I knew of the dangers as the facts which follow here substantiate. In 1946 for the first time I was very summarily ordered by a hatemonger's duly delegated representative not to tell the nation any further facts concerning this situation. I summarily refused to remain silent. Thereupon the hatemongers' brain-washing apparatus was turned loose on me to an extent never before experienced by anyone. Every media for the control of public opinion hurled the hatemongers' "anti-Semitism" smear at me around-the-clock from coast-to-coast. Behind the hatemongers' brain-washing apparatus stood the *B'nai Brith, Anti-defamation League of B'nai Brith, American Jewish Com-*

mittee, American Jewish Congress, World Zionist Organization and their countless affiliates and subsidiaries inciting vicious persecution by them.

My single-handed struggle against the hatemongers' brain-washing apparatus was waged by me as a lone crusader since 1945 not by my choice but by necessity. From 1945 on the hatemongers' brain-washing apparatus continued spending millions of dollars to discredit me in the eyes of the nation with their "anti-Semitism" smear as their most vicious invective of all their vicious character-assassination invectives. From 1945 to date the hatemongers' "anti-Semitism" smear "virtually quarantined" me. The "guilt by association" fear felt by this nation for the hatemongers' "anti-Semitism" smear practically isolated me. I must confess that at various times I did feel discouraged, depressed and disgusted but I really never felt defeated.

My ability to hold my own single-handed against the onslaught of the hatemongers' brain-washing apparatus is proof to me that this nation can still win against them if the nation's courageous and self-sacrificing patriots will make up their minds to fight side-by-side and not like "lone-eagles" as in the past. Once upon a time the motto of this nation was "one for all and all for one." That policy pulled this nation out of many holes in the past. It can do so again! Why not try it again? This nation can always be depended upon to put up a winning fight if the issues are honestly explained. If the nation prefers to follow the policy that "ignorance is bliss" and "it is folly to be wise" the control of this nation by the hatemongers' brain-washing apparatus as matter of course will grow, and grow, and grow!

The fear of the hatemongers' "anti-Semitism" smear silences millions each and every day in the United States. Potential patriots fear to express what is on their minds for fear of the hatemongers' "anti-Semitism" smear. It is indeed a strange paradox and a sad commentary that in this literate nation ignorance about the origin of "anti-Semitism" is responsible for this condition. That knowledge will quickly enable the nation once again to enjoy three traditional rights which they can no longer enjoy, freedom of speech, freedom of the press, and freedom of assembly, without fear of the hatemongers' "anti-Semitism" smear to hinder free exercise of these rights.

These vicious hatemongers have now developed their "anti-Semitism" smear into the most deadly weapon in their arsenal of character-assassination weapons. The hatemongers' "anti-Semitism" smear outstandingly demonstrated its matchless power to discredit the nation's patriots in the eyes of the nation. This fear of the hatemongers' "anti-Semitism" smear has made this nation a nation of cowards but not without some justification on the part of these cowards. To them survival is still their *First Law of Nature*. They know how this hatemongers' "anti-Semitism" smear ruins patriots in business in professions, and in politics. *This vicious vengeance must be stopped now!*

This fear of the hatemongers' "anti-Semitism" smears will rapidly and forever disappear if religious leaders, educators and editors undertake to enlighten the nation on this subject, and if they themselves will stop using the hatemongers' "anti-Semitism" smear-word altogether commencing now. They are all so well educated on this subject. They were taught all the facts. Has the fear of the hatemongers' "anti-Semitism" smear made cowards too of the nation's religious leaders, educators and editors? They appear to fear the hatemongers' "anti-Semitism" smear just as much as persons in business, in professions, and in politics. Now to whom then can the nation turn to learn the "facts of life" about the hatemongers' "anti-Semitism" smear? *Do they consider this a nation of dupes or dopes or both?*

This nation little realizes and much less understands that today the most vicious hatemongers in the United States are *B'nai Brith, Anti-defamation League of B'nai Brith, American Jewish Committee, American Jewish Congress, World Zionist Organization* and all their affiliates and subsidiaries. These hatemongers preach and practice their unique method of character-assassination against this nation's courageous and self-sacrificing patriots who ignore all consequences to themselves to tell the nation facts too long suppressed by the hatemongers for the good of the nation; the whole truth about their purposes, about their policies and about their programs. These courageous and self-sacrificing patriots cannot by any stretch of the imagin-

Fact For Fact

tion be considered hatemongers in the literal sense of that word. These vicious hatemongers smear these courageous and self-sacrificing patriots as "hatemongers" with their brain-washing apparatus as their defense strategy to direct public attention away from the fact that it is they themselves who are the hatemongers masquerading in various disguises to conceal that fact.

The most vicious hatemongers in the United States to my knowledge have concentrated their brain-washing operations in the most formidable brain-washing apparatus in world history. In the United States today these hatemongers control the news columns and editorial policies of the nation's leading newspapers, they control the programs of all television and radio networks, they control all production and exhibition of motion-pictures, and they control the leading publishers of magazines and books of all types. These hatemongers have made public opinion in the United States their prisoner with control by them of this unprecedented and unparalleled brain-washing apparatus. This situation poses a threat to the security of the nation because the public is kept in ignorance of the real issues involved.

The nation's courageous and self-sacrificing patriots do not deny they hate certain things but with some justification for their feelings. They make no secret of the fact they hate Marxism, Communism, Bolshevism, Fabianism, atheism, anarchism and each of the many camouflaged other versions of Marxist "isms", all masquerading in a variety of disguises with innocuous titles under which they parade themselves before a totally unsuspecting nation. The nation owes to these courageous and self-sacrificing patriots a greater debt than can ever be repaid to them. The nation's gratitude is far from sufficient to liquidate that liability. The nation must search for and find a way to inspire these patriots to go on hating Marxists ideologies more, and more, and more! These patriots are not easily fooled by the deceptions practiced by Marxists to infiltrate into unsuspecting places in our fragmented society further to disorganize and to disintegrate our complex political, social and economic structure as the nation ignores their warnings.

These hatemongers fear only one thing. They fear the truth. They have a deadly fear that the nation's courageous and self-sacrificing patriots may some day succeed in opening the eyes of the nation. For many years these hatemongers have been using their brain-washing apparatus and their "anti-Semitism" smear to suppress many facts about themselves for obvious reasons. The nation should now exercise its right to investigate *B'nai B'rith*, *Anti-defamation League of B'nai B'rith*, *American Jewish Committee*, *American Jewish Congress*, *World Zionist Organization* and their countless affiliates and subsidiaries to the same extent and in the same manner that these hatemongers use the full impact of their brain-washing apparatus to compel "investigations" of the nation's patriots only to harass them and thereby to exhaust their precious time and their little money in self-defense.

In 1945 for the first time I learned about the Zionist conspiracy to transform Palestine into a synthetic Zionist so-called "sovereign Jewish state" by "hook or crook" and "come hell or high water." The ramifications of the Zionist conspiracy staggered my imagination as they were unfolded to me in 1945. The implications, inferences and innuendos of the Zionist conspiracy shocked me out of my post-war complacency at the close of World War II. The Zionist conspiracy for aggression in the Middle East convinced me in 1945 that Zionist aggression in Palestine would trigger World War III in the not very distant future. I acted upon my duty to tell the nation this fact for security reasons. In my considered judgment the fate of the nation and the destiny of mankind were threatened by the world-wide ramifications of the plot to create in Palestine a synthetic Zionist so-called "sovereign Jewish state" by the use of force and violence.

The literal meaning of "anti-Semitism", as the prefix "anti" signifies, must mean the opposite extreme of the literal meaning of "Semitism." That must follow. It also follows that to understand the literal meaning of "anti-Semitism" it is first necessary to understand the literal meaning of "Semitism." The word "Semitism" is a word invented only late in the 18th century. The word "Semite" is a word invented by a Swiss historian seeking to coin a new word to denote and designate the civilization and culture of the ancient so-called "Semites" for which no word then existed.

The word "anti-Semitism" is literally a word without meaning or sense. The word "anti-Semitism" was invented only late in the 19th century by followers of Karl Marx in eastern Europe. Late in the 19th century the early organized followers of Karl Marx founded the first Marxist organization in the history of Marxism dedicated to implementing the original Karl Marx program for the world-wide Marxist revolution. This first Marxist organization was founded in Poland in 1893 by a small group of so-called "Jews" who then unconditionally restricted the membership exclusively to so-called "Jews" among the working classes in eastern Europe.

This first Marxist organization was called the *Bund* by its founders. This first Marxist organization became the "spearhead" of the world-wide Marxist network seeking since 1893 to implement by force and violence or by subversion the well-known Karl Marx program for a world-wide revolution, as indicated by incontrovertible documentary proof and a plenitude of other evidence in national archives, the files of the *Encyclopedia Britannica*, and documented data of leading research specialists on this subject.

Shortly after the first organized efforts by organized Marxist revolutionists in eastern Europe to implement the Karl Marx program, they found it necessary to invent the word "anti-Semitism" as a defense measure for strategic reasons. The first organized Marxist revolutionists were forced to defend themselves in eastern Europe against the rapidly rising tide of Christian opposition to the growing threat of Marxism to eastern Europe in particular. The members of the Marxist *Bund* were compelled to continue their efforts more discretely behind the smoke-screen of the word "anti-Semitism." For reasons which are easily understood by Christians, the Marxist revolutionists continued using the word "anti-Semitism" with great success as a smoke-screen to meet their needs for a defense strategy.

The brain-washing apparatus of the Marxist revolutionists in eastern Europe proceeded to brain-wash Christian nations throughout the world that Christian opposition to Marxism was "anti-Semitism" and that "anti-Semitism" was Christian intolerance towards so-called "Jews" solely for religious reasons. Christians antagonism to so-called "Jews" in eastern Europe at that time was not based upon religious intolerance but upon the fact that at that time Marxists in eastern Europe were so-called "Jews." At the same time and in the same manner Christian antagonism developed towards Moslems, Hindus, Buddhists and Confucians who happened also to be Marxists. That antagonism was not religious intolerance at all. Christians felt the same for the same reason towards all Marxist revolutionists without any interest in their religious faiths as so-called "Jews" well knew.

The word "anti-Semitism" is totally meaningless and completely senseless to denote or designate alleged Christian intolerance or antagonism towards so-called "Jews" based upon their religious belief. By the same token the word "anti-Semitism" is equally meaningless and senseless to denote or designate alleged Christian intolerance or antagonism towards

Marxists because they also happen to be so-called "Jews" and vice-versa. Karl Marx's earliest followers in eastern Europe invented the word "anti-Semitism" solely as a defense measure to stigmatize Christian opposition to Marxism as Christian "religious intolerance." The literal meaning of the word "anti-Semitism" makes it the height of absurdity and of stupidity to associate Christian intolerance for Marxist revolutionists with alleged Christian intolerance for so-called "Jews" based solely upon their religion. So-called "Jews" now claim "Judaism" and Marxism have a common origin.

The 19th century invention of the word "anti-Semitism" by so-called "Jews" who were also Marxists created a word that is literally meaningless and senseless. The word "anti-Semitism" by any stretch of the imagination cannot mean what the hatemongers have brain-washed the nation to believe it means. The hatemongers' brain-washing apparatus has given the word "anti-Semitism" an implication, an inference and an innuendo totally foreign to the literal meaning of "anti-Semitism." There is a literal meaning to the word "anti-Semitism" but that meaning is totally in conflict with the implication, the inference and the innuendo the hatemongers' brain-washing apparatus has succeeded in giving the word "anti-Semitism."

The ancient so-called "Semites" were the legendary descendants of Shem. Shem was one of Noah's three sons. Shem was the name of this son of Noah in the so-called "Semitic" language then spoken in Shem's homeland at the time of his birth in the very remote past. With the passage of countless thousands of years the name Shem became "Sem" in the Greek and Latin languages. With the passage of further years modern theologians and historians referred to the legendary descendants of Shem as "Semites" not as Shemites. Similarly Shemism became "Semitism", Shemitic became "Semitic", and Shemite became "Semite" and they thus have since remained.

The words "Semite", "Semites", "Semitic" and "Semitism" were not invented to denote or designate race, religion or national origin by implication, inference, innuendo or otherwise. These words were invented solely to denote or designate in a geographic sense the inhabitants of a specific geographic region, in this case the Middle East's several million square miles joining together the continents of Europe, Asia and Africa. The ancient so-called "Semites" who inhabited that region throughout history included persons and nations of many races, many religions and many national origins. These words were not invented to denote or designate physical, mental or cultural characteristics typical of any one race, ceremonial rituals characterizing one religious faith, or the historic ancestry or national origin of a world-wide religious sect claiming common ancestry.

The ancient so-called "Semites" who inhabited the Middle East's several million square mile region joining together the continents of Europe, Asia and Africa throughout their long history spoke 43 so-called "Semitic" languages. The word "Semitic" was invented by modern philologists and etymologists solely to denote and designate the 43 so-called "Semitic" languages of similar form and structure spoken by so-called "Semites" throughout the ages. The word "Semitic" literally and solely denotes and designates the languages spoken by past and present so-called "Semites" without insinuating race, religion or national origin by implication, inference, or innuendo as a misleading new meaning for its true ancient meaning.

In passing it may be of interest to mention here that the modern English word "Hebrew" is a modern English word invented to denote and designate the ancient so-called "Semitic" language spoken by the ancient Canaanites at the time Joshua and 600,000 Egyptian exiles invaded Canaan about 1200 B.C. After wandering in the Sinai desert for 40 years as impoverished and derelict nomads searching for a more promising region in which to settle permanently, Joshua and 600,000 Egyptians invaded Canaan and settled there after a long and bitter war for 200 years against the Canaanites who had done nothing to provoke the invasion or conquest.

After living a primitive existence in the Sinai desert for 40 years, Joshua and the 600,000 Egyptian exiles lost much of the culture and many of the customs they took with them when they departed from Egypt. They retained a very limited Egyptian vocabulary but no written form for the language they then spoke. At this period in history the Egyptian language used hieroglyphic pictures and cuneiform characters with which they preserved for posterity permanent records of their spoken language.

Canaan was not very far to the North of the Sinai desert where Joshua and 600,000 Egyptian exiles wandered for 40 years. At that period in history Canaan was the wealthiest so-called "Semite" nation in the vast Middle East region and enjoyed the most highly developed culture of all so-called "Semite" nations. The Canaanites possessed a language with the most extensive vocabulary of all so-called "Semitic" languages with one of the world's early modern alphabets, a modified form of the Assyrian alphabet, the first-born of modern alphabets at the dawn of civilization.

After the conquest of Canaan, Joshua and the 600,000 Egyptian exiles quickly mastered the extensive vocabulary of the Canaanite language and made it their new language known since as the so-called "Hebrew" language. Joshua and the 600,000 Egyptian exiles also quickly mastered the Canaanite alphabet and made it their alphabet, the first written form for any language ever spoken by them and known now as the so-called "Hebrew" alphabet, the only language and alphabet so known in world history.

Any reference today to a so-called "Hebrew" language is in fact a modern reference to the ancient so-called "Semitic" language then spoken by Canaanites, and any reference today to a so-called "Hebrew" alphabet is in fact a reference to the ancient so-called "Semitic" alphabet of the ancient Canaanites for centuries prior to the conquest of Canaan by Joshua about 1200 B.C. notwithstanding around-the-clock brainwashing to the contrary by the hatemongers' brain-washing apparatus for obvious reasons; *the game of giving new names to old products to fool the public!*

The modern English word "Hebrew" comes from the ancient so-called "Semitic" word "ibrai." The literal meaning of the so-called "Semitic" word "ibrai" is "a from over on the other side." The ancient so-called "Semites" used the word "ibrai" to denote or designate as immigrants persons emigrating to make their permanent residence in another country, "a from over on the other side" of a mountain range, a lake, a river, or a sea. The ancient so-called "Semites" used the word "ibrai" in its plural sense to denote or designate aggressor nations as invaders in the sense invading nations in effect were immigrants collectively and were thus so described.

The first mention of the word "Hebrew" in the English modern translations of the Old Testament is the mention there of Abraham for the first time as a so-called "Hebrew." In the ancient Old Testament original scrolls Abraham is mentioned as "Abram ibrai" in the same verse he is mentioned as a so-called "Hebrew" in the English modern translations. The world's greatest Scriptural authorities among philologists and etymologists, and eminent theologians and historians, translate the ancient so-called "Semitic" term "Abram ibrai" as "Abraham the immigrant", their authentic translation.

Fact For Fact

Abraham of Bible fame immigrated from his homeland in Chaldea into Canaan about 1900 B.C. first entering Canaan from across the Taurus Mountains which separated Chaldea from Canaan thus becoming to the Canaanites "a from over on the other side." The modern English word "Hebrew" is meaningless and senseless to convey the impression that Abraham immigrated from his homeland in Chaldea into Canaan. Abraham of Bible fame became "a from over on the other side" when he first arrived in Canaan as an "ibrai." The original Old Testament ancient manuscripts so describe Abraham. In 1200 B.C. when Joshua and 600,000 Egyptian exiles invaded Canaan they also became "ibrai" but in the plural sense of that word. The plural sense of "ibrai" is applied to nations as invaders. Joshua and the 600,000 Egyptian exiles thus became the first so-called "Hebrew" nation in history when they invaded Canaan, a nation "from over on the other side", a word never used that way before in all history.

The word "Hebrew" in English is a word of modern vintage. The description of Joshua and the 600,000 Egyptian exiles who conquered Canaan as a so-called "Hebrew" nation is the first mention in the English language of a so-called "Hebrew" nation as such. From time immemorial, back unto "the time when the memory of man runneth not to the country", there are no earlier records in the history of the world indicating the prior existence of a so-called "Hebrew" nation, a so-called "Hebrew" race, a so-called "Hebrew" religion, a so-called "Hebrew" language or a so-called "Hebrew" alphabet in the sense given to the word by brain-washing today.

This nation has been brain-washed by the hatemongers' brain-washing apparatus into believing that at some remote time in ancient history the modern English word "Hebrew" denoted or designated then an ancient so-called "Hebrew" nation, an ancient so-called "Hebrew" race, an ancient so-called "Hebrew" religion, an ancient so-called "Hebrew" language, and an ancient so-called "Hebrew" alphabet. All are now contradicted by countless incontestible historic facts notwithstanding endless brain-washing so to the contrary now put out by the hatemongers' brain-washing apparatus.

Abraham neither discovered nor invented monotheism, the belief in an invisible, omnipotent and eternal deity notwithstanding brain-washing to the contrary by the hate-mongers' brain-washing apparatus for reasons too obvious to call for explanation here and now. For many thousand years prior to Abraham's conversion to belief in an invisible, omnipotent and eternal deity known then as the worship of Yaweh, monotheism was blooming and booming among the so-called "Semites" in the extensive Middle East region of several million square miles joining together the continents of Europe, Asia and Africa as 20th century discoveries establish.

For at least 100 generations during the several thousand years immediately preceding Abraham's historic immigration into Canaan about 1900 B.C. millions of so-called "Semites" in each of these 100 or more generations made their homes in the extensive Middle East region of the several million square miles which join together the continents of Europe, Asia and Africa. From time immemorial, from "the time when the memory of man runneth not to the contrary", until the 20th century that extensive several million square mile Middle East region joining with each other the continents of Europe, Asia and Africa was without interruption solely the homeland of so-called "Semite" nations notwithstanding brain-washing to the contrary by the hatemongers' brain-washing apparatus to justify Zionist infiltration into Palestine since 1920 and the 1948 rebellion for establishment there by force and violence of the synthetic Zionist so-called "sovereign Jewish state" for which no justification has ever existed!

For at least these 100 generations during the several thousand years immediately preceding the conversion then of Abraham from phallic worship to monotheism in his old age by the so-called "Semites" among whom Abraham settled, today it is recognized by all leading theologians and historians that monotheism during that period was widely practiced by so-called "Semites" throughout this extensive region. This extensive Middle East region is today recognized by leading theologians and historians as the cradle of monotheism for thousands of years prior to the time of Abraham's conversion to the worship of Yaweh, about 1900 B.C., the modern worship of Jehovah, the first organized recognition by mankind of an invisible, omnipotent and eternal deity in the history of monotheism.

In 1945 I was invited to join *American Council for Judaism* by several prominent members. In 1945 *American Council for Judaism* took the position that so-called "Judaism" was a religious faith and only a religious faith. In 1945 *American Council for Judaism* likewise took the position that persons professing so-called "Judaism" as their religious faith did not solely by operation of that fact thereby become members of a mythical and mystical ancient so-called "Jewish race" and by the same token also become citizens of a mythical and mystical ancient so-called "Jewish nation." I fully subscribe to the position taken by *American Council for Judaism* on that question because it is supported by incontestible proof.

Consistent and compatible with their incontestible knowledge on this subject *American Council for Judaism* in 1945 publicly expressed very strong objections to the plan to transform Palestine into a synthetic Zionist so-called "sovereign Jewish state." *American Council for Judaism* did not hesitate to indicate their opposition wherever and whenever the opportunity presented itself. This however was not very often. The hatemongers' brain-washing apparatus took the extreme opposite view on this subject. They denied *American Council for Judaism* access to media of mass-communications for shaping public opinion to tell the nation the truth about the new Palestine crisis. The hatemongers' brain-washing apparatus reserved the media of mass-communication for shaping public opinion exclusively for themselves to tell the nation their untruths on this subject.

Since 1945 every media of mass-communications for shaping public opinion has been utilized to its fullest extent by *B'nai Brith*, *Anti-defamation League of B'nai Brith*, *American Jewish Committee*, *American Jewish Congress*, *World Zionist Organization* and their countless affiliates and subsidiaries to brain-wash the nation that every so-called "Jew", in the meaning given by the hatemongers' to that word, was solely by reason of that fact unequivocally a member of a mythical and mystical ancient so-called "Jewish race" and solely by reason of that fact also a citizen of a mythical and mystical ancient so-called "Jewish nation" knowing both to be untrue!

In 1945 I joined *American Council for Judaism*. The wealthy Lessing Rosenwald founded *American Council for Judaism* in 1943 and has been its financial backer since he founded it. Associated very closely with Lessing Rosenwald in his *American Council for Judaism* activities is Rabbi Elmer Berger. Rabbi Berger is Executive Director of *American Council for Judaism* and has been since it was founded in 1943. Lessing Rosenwald incidentally is a son and heir of the late Julius Rosenwald of Sears Roebuck & Co. fame whose estate exceeded \$350,000,000.00 when he died.

In 1945 Lessing Rosenwald and Rabbi Berger led me to understand *American Council for Judaism* was eager to commence an extensive and

expensive advertising campaign with full-pages in newspapers in leading cities across the country telling the nation the truth, the whole truth and nothing but the truth about the situation in Palestine and how it affected the security of this nation and the peace of the world. In 1945 this nation understood little and cared less about what was happening in Palestine. World War II had ended and the nation had enough to worry about at home without worrying then about Zionist plans for aggression in Palestine.

In 1945 the hatemongers' brain-washing apparatus was conducting an advertising campaign with full-pages in newspapers across the country in the most expensive and intensive campaign of its kind in history, brain-washing the nation with untruths, half-truths and distortions of truth about the Palestine question. The need to tell the truth to the nation about the Palestine question created the necessity for an equally effective advertising campaign by *American Council for Judaism* and was the one and only reason justifying the existence of *American Council for Judaism* in the opinions of the preponderant majority of members concerned with this vital matter.

The *American Council for Judaism* advertising campaign never materialized. The reason told to me for this was that money for this purpose was not available. That excuse did not impress me. If Lessing Rosenwald's sister could contribute from her personal income \$1,000,000.00 annually to *United Jewish Appeal* her brother could easily defray the cost of the *American Council for Judaism* advertising campaign without great personal sacrifice. I then realized that money was not the real reason *American Council for Judaism* abandoned the plan for an advertising campaign with full-pages in newspapers in leading cities across the country. I know the actual reason now but it will serve no purpose to explain it here and now.

World tensions were growing more acute as the situation in Palestine grew worse. I felt something had to be done quickly to inform the nation of the facts before the situation in Washington got out of hand due to increasing lobbying by the hatemongers' brain-washing apparatus. Without hesitation or equivocation I promptly volunteered to personally supply from my private funds all the money necessary to defray the entire costs for an *American Council for Judaism* advertising campaign with full-pages in newspapers in leading cities across the country as long as required to tell of the great deception being practised upon the nation by the hatemongers' brain-washing apparatus. For some mysterious reason my offer was rejected!

In 1945 Zionists demanded Palestine claiming Palestine was the "homeland" solely of their ancestors in Bible history, which they knew to be untrue! In 1945 Zionists demanded Palestine claiming so-called "Jews" throughout the world were now living in "exile", which they knew to be untrue! In 1945 Zionists demanded Palestine claiming "religious persecution" scattered so-called "Jews" to the four corners of the earth, which they knew to be untrue! In 1945 Zionists demanded Palestine claiming so-called "Jews" had prayed for Palestine as their home for 2000 years, which they knew to be untrue! In 1945 Zionists demanded Palestine claiming God defaulted in his agreement to give Palestine to Abraham's "chosen people" as their "Promised Land", which they knew to be untrue! In 1945 Zionists demanded Palestine claiming Great Britain gave it to them in 1917 by a letter from Arthur Balfour to Lord Rothschild, which they knew to be untrue! In 1945 Zionists demanded Palestine claiming Article XXII of the League of Nations Covenant gave it to them in 1920, which they knew to be untrue! In 1945 Zionists demanded Palestine claiming the League of Nations "Mandate" gave it to them in 1922, which they knew to be untrue!

I then realized for the first time that it was hopeless to expect *American Council for Judaism* to ever offer effective opposition to the hatemongers' brain-washing apparatus with the necessary full-pages in newspapers in leading cities across the country. After consultation with the nation's leading citizens of every interested religious faith and all interested national backgrounds at the highest levels in New York and Washington I decided to form the *League for Peace with Justice in Palestine*. The Board of Directors was to have on it representatives of all interested religious faiths and all interested national backgrounds among the nation's outstanding men and women who had unanimously expressed enthusiasm for the purpose, the policy and the program of the *League for Peace with Justice in Palestine*. They felt too that this was the only way to solve that problem!

Without in any way disturbing my cordial relations with Lessing Rosenwald, Rabbi Berger or other members of *American Council for Judaism* I requested my attorneys Messrs. Riegelman, Strasser, Schwartz & Spiegelberg then at 160 Broadway, New York City to incorporate a non-profit membership corporation with the name *League for Peace with Justice in Palestine*. Messrs. Riegelman, Strasser, Schwartz & Spiegelberg requested my consent to permit them before they proceeded further with the matter to ask their principal clients and other members of their law firm if they objected to having the *League for Peace with Justice in Palestine* as a client in their law offices. Messrs. Riegelman, Strasser, Schwartz & Spiegelberg received the unanimous consent of their principal clients and all other members of their law firm after explaining to them the purpose, the policy and the program of the *League for Peace with Justice in Palestine*. They then proceeded forthwith to incorporate the *League for Peace with Justice in Palestine* under the laws of the State of New York for non-profit membership corporations and Justice Aron Steuer validated its formation.

A few days after the incorporation of the *League for Peace with Justice in Palestine* the first of a series of full-pages in newspapers in leading cities across the country appeared in New York City in the New York Herald Tribune and other leading newspapers. Hell seemed to break loose on that day as far as I was concerned. The headline of these full-pages appearing in the newspapers was "Political Zionists Exploit Untruths About Palestine." The reading matter in these full-pages recited the 14 untruths with which the hatemongers were brain-washing the nation to keep the truth from them.

On May 2, 1946, the same day these first full-pages were published in newspapers in New York City a large delegation from the headquarters of the hatemongers' brain-washing apparatus descended like a tornado upon the offices of Messrs. Riegelman, Strasser, Schwartz & Spiegelberg to read the "riot act" to Charles A. Riegelman the head of the firm. They accused Riegelman of being "anti-Semitic" because his law firm had incorporated the *League for Peace with Justice in Palestine* for me. After several hours further abuse by these delegates Riegelman fell to the floor with such a severe heart attack that he could not be moved from his office to his home for several days. Riegelman never recovered and died shortly afterwards.

Messrs. Riegelman, Strasser, Schwartz & Spiegelberg informed the frantic delegates from the headquarters of the hatemongers' brain-washing apparatus that I was the moving spirit behind the *League for Peace with Justice in Palestine*. The hatemongers' brain-washing apparatus thereupon concentrated all attacks upon me after compelling Messrs. Riegelman, Strasser, Schwartz & Spiegelberg to send to my home that same day all the books, records and documents of the *League for Peace with Justice in*

Fact For Fact

Palestine with a letter to me stating they did not wish this "anti-Semitic" corporation to any longer consider itself as the client of their law offices.

On the same day the *League for Peace with Justice in Palestine's* first full-page announcements appeared in newspapers in New York City, Messrs. Riegelman, Strasser, Schwartz & Spiegelberg telephoned to me and requested that a member of the firm be permitted to call at my home that evening with a gentleman who wished very much to meet me, to which I consented. That evening a member of the firm called and brought along with him a George Minzer. George Minzer remained alone at my home until long past midnight "laying down the law" to me as he did to criminals recently when he was U. S. Assistant District Attorney prosecuting criminals.

At the time of his visit to my home George Minzer was General Counsel for *American Jewish Committee*. Minzer stated to me he was duly delegated to demand that I forthwith cease and desist my present activities related to the Palestine question. Minzer warned me that if I did not submit to his ultimatum I would soon "learn the meaning of retaliation." I have witnesses and affidavits to prove that *Minzer made that threat over and over again!*

I called Minzer's attention to my Constitutional right to freely express myself orally or in writing on any subject not prohibited by law. Minzer laughed at that reminder of the Constitutional rights he was so recently well paid by the United States Government to preserve. In keeping with my life-long policy to peacefully pursue all my objectives whenever and wherever possible I suggested to Minzer that he arrange a conference with Samuel D. Leidesdorf to discuss this matter. Leidesdorf was the most prominent official in *American Jewish Committee* of which Minzer was also then General Council. Minzer did not welcome this suggestion and refused to agree with my suggestion for us to discuss that matter with Leidesdorf.

Samuel D. Leidesdorf is one of this nation's most outstanding citizens. Leidesdorf judgment is so sought by many in all walks of life because his decisions are unselfishly based upon unbiased and unprejudiced consideration of the justice and equity involved. There are few men in this country today whose opinions are more valued than Leidesdorf's opinions. I do not speak from hearsay. I was his close personal friend and his business associate in many enterprises from 1925 to 1945. I was anxious to have Leidesdorf mediate Minzer's ultimatum and to abide by Leidesdorf's recommendations as I have done for more than 20 years without regrets. I called this to Minzer's attention but he refused to submit the matter to Leidesdorf for his determination in the best interest of all parties concerned.

The reading matter following the headline "Political Zionists Exploit Untruths About Palestine" in the first full-page *League for Peace with Justice in Palestine* paid advertisement to appear in New York City newspapers was approved in advance of its publication by the law firm of Messrs. Sackett, Chapman, Brown & Cross as attorneys on behalf of The New York Herald Tribune whom they have represented for more than a century. I myself submitted this reproduction-proof to Mrs. Ogden Reid personally. Mrs. Reid owned The New York Herald Tribune and requested that I submit the reproduction-proof to her attorneys for their approval before she could consider publishing the full-page in her newspaper. She could not believe her eyes when she read the copy in the reproduction-proof I left with her for her study. I submitted a reproduction-proof to Messrs. Sackett, Chapman, Brown & Cross and they gave their unqualified approval to my analysis of each of the 14 untruths after considerable independent research and study on their part as requested by Mrs. Ogden Reid.

The hatemongers' brain-washing apparatus soon thereafter made war on the newspapers in New York City demanding that they refuse to publish the full-page announcements of the *League for Peace with Justice in Palestine*. The New York Times, The New York Herald Tribune, New York Journal, The World-Telegram, and The Evening Sun thereupon refused to publish the full-page reproduction-proofs of the *League for Peace with Justice in Palestine* submitted to them by Wortman, Barton & Gould of 345 Madison Avenue, New York City an old and respected advertising agency who then represented the *League for Peace with Justice in Palestine*.

Faced with this boycott by newspapers in New York City I visited each of them in person to ascertain their reasons for refusing these full-page advertisements of the *League for Peace with Justice in Palestine*. I was told by them that if newspapers published the full-page *League for Peace with Justice in Palestine* advertisements they would lose the advertising in their newspapers of every department store and every other large newspaper advertiser owned or controlled by *B'nai B'rith, Anti-defamation League of B'nai B'rith, American Jewish Committee, American Jewish Congress, World Zionist Organization* and their countless affiliates and subsidiaries. This boycott of any newspaper in New York City or anywhere in the United States would quickly put it into bankruptcy or out of business altogether!

Faced with this dilemma I did not know just what to do about it. My new attorney, by name Hallam Richardson, told me at the time he heard of a newspaper in New Jersey he believed might accept advertising from the *League for Peace with Justice in Palestine*. Hallam Richardson is the son of Bishop Richardson, the very eminent dean of Methodist Bishops for so many years before his death, who recently had become my new attorney. I asked Richardson to investigate that possibility. Richardson did so. He arranged an appointment at my home with the editor and publisher of the New Jersey newspaper. That is how I made the acquaintance of Conde McGinley of Union, New Jersey the editor and publisher of *Common Sense* a publication fighting to protect and preserve our sacred heritages.

McGinley cautioned me at our first meeting that neither he nor *Common Sense* were popular with the hatemongers' brain-washing apparatus. McGinley cautioned me that some of his hatemongers' "anti-Semitism" smear might "rub off" on me. I cautioned McGinley that some of my hatemongers' "anti-Semitism" smear might "rub off" on him. McGinley offered me the pages of *Common Sense* in which to tell my story to the nation. If I have been of any assistance in making *Common Sense* the force which it is today I am not the one to talk about it. If anyone outside the hatemongers' brain-washing apparatus is interested in complete details I feel quite sure this information will be gladly supplied to them by my friend Conde McGinley.

I can fill many volumes with stories about the pitiless and merciless persecution I was obliged to suffer solely because I was telling the nation facts relevant to the security of the country which the hatemongers' brain-washing apparatus did not want the nation to know. I will now only tell of two incidents because they show to what extent the hatemongers' brain-washing apparatus exerts its influence upon the decisions made by public officials who fear for their careers if they ignore "suggestions" to them.

At 2:30 P.M. on the afternoon of November 11, 1947 I was in the Delegates Lounge of United Nations at Lake Success. I was attending the sessions of United Nations General Assembly debating the Palestine question before they voted their Zionist-sponsored resolution to "partition" Palestine. I received an urgent telephone call there insisting that I must address the regular monthly meeting of the Rockland County Republican Club that evening on Armistice Day Eve at 8:30 p.m. in Spring Valley, a suburb of New York City. I was to be the guest speaker instead of Reverend McAllister Griffith the scheduled speaker who was suddenly taken ill. The subject upon which I was to talk was the Palestine situation at that time.

I arrived in Spring Valley by bus with my wife about 8:00 p.m. and was met at the bus station by the president of the club. The president of the club escorted my wife and myself to the hall over the main fire-station where the club holds its monthly meetings. The hall accommodates about 1000 persons comfortably. The president of the club was introducing my wife and myself to members already present when the door to the hall was flung open and in walked three men wearing United States Army uniforms and over-seas caps. None of the three appeared to be a member of the club.

The three men in army uniforms dashed around the hall shouting in loud voices "which one is Freedman?" The president of the club brought them over to me not knowing why they wanted to meet me. The leader addressed me saying "You cannot talk here. We do not allow anti-Semitism in Rockland county." I asked him whether he was a member of the club. He stated he was not a member. I asked him by whose authority he invaded private premises to prevent a peaceful meeting by members of the club. Pointing to an insignia on his over-seas cap he replied "The Jewish War Veterans will not allow you to speak here. We know who you are and we do not allow anti-Semites to talk in Rockland county." I tried to convince him he was acting without justification. When he threatened to use force to keep me from speaking I asked one of the club members to go for the Chief of Police and to bring him back just as quickly as possible.

In the presence of the Spring Valley Chief of Police the leader stated to me "If you try to speak in here there will be trouble." The door opened and another 20 to 30 men in uniforms of the United States Army all wearing over-seas caps entered the hall. They immediately went to work emptying the hall by pushing members out through the door. They shouted as they were pushing the members towards the door "The meeting is over. There will be trouble if anyone tries to speak here." The hall was soon cleared of everybody excepting the Spring Valley Chief of Police, my wife and myself.

The other incident I want to mention here is the so-called Anna M. Rosenberg "affair" in 1950. At their personal solicitation as both stated on the record of the Senate Armed Services Committee, Senator Richard Russell and Senator Lyndon Johnson requested me to obtain for them information about Anna M. Rosenberg's past relations and her former activities and associations with communists. The information I obtained for them raised a doubt in the minds of the Senate Armed Services Committee about her fitness for the office of Assistant Secretary of Defense. The Senate Armed Services had already unanimously confirmed her for that office without a public hearing. Included in the information obtained by me was an affidavit obtained for them from an ex-communist. Thereupon the Senate Armed Services Committee reopened the earlier confirmation of Anna M. Rosenberg's appointment ordering a public hearing to pass again upon her fitness to serve in the office of Assistant Secretary of Defense.

I rushed back to New York only already to find that the underground in Senator Russell's or Senator Johnson's office had passed the word to the hatemongers' brain-washing apparatus in New York that there was to be a public hearing on Anna M. Rosenberg's fitness for that office based upon the affidavit of an ex-communist. In order to throw dust in the eyes of the public the hatemongers' brain-washing apparatus ordered every newspaper, every radio and television commentator and every media of mass-communications for shaping public opinion controlled by them to scream to high heaven that "Benjamin H. Freedman, violent anti-Semite is in a conspiracy to keep Anna M. Rosenberg out of the Pentagon" and other untrue charges holding me solely responsible as the guilty "anti-Semite" for conspiring to keep Anna M. Rosenberg out of her Pentagon job solely for religious reasons.

That was all that the hatemongers' brain-washing apparatus had to do to make sure Anna M. Rosenberg would get the Pentagon job. The sympathy of the nation was with Anna M. Rosenberg as a result of the hatemongers' brain-washing apparatus plea for fair play for this poor victim of a so-called "anti-Semite" conspiracy to keep Anna M. Rosenberg out of the Pentagon job solely on account of her religious faith. The public lost sight of the fact that Senator Russell and Senator Johnson reopened Anna M. Rosenberg's confirmation for the Pentagon job upon an affidavit under oath by the most trusted and the most patriotic ex-communist who had previously been of great assistance in the detection of communist activities in this country. Anna M. Rosenberg had become a sacred cow to the nation. The hatemongers' "anti-Semitism" smear was used to silence further investigation. The reopened hearing on Anna M. Rosenberg's confirmation collapsed and she was again confirmed as though it had all been rehearsed!

As a result of the nation-wide publicity the hatemongers' brain-washing apparatus gave me I received from persons I had never met hundreds of documents, records, and other evidence of Anna M. Rosenberg's activities and associations with persons of questionable political background. I received enough material to fill a suit-case. When I was called to testify at the reopened public hearing to confirm Anna M. Rosenberg, I was requested to bring this material with me. That suit-case filled with material relevant and pertinent to the confirmation of Anna M. Rosenberg was open in front of me on the table for almost four hours while I was testifying in the committee room. I was not invited to take one piece of that evidence out of the suitcase. For four hours I sat there answering questions about what religious faith I professed, what churches I attended, my relations with the people in the Middle East, my connections with Conde McGinley and *Common Sense*, and countless other matters completely irrelevant to the confirmation proceedings then under consideration by the Senate Armed Services Committee. *Anna M. Rosenberg's pals made me her whipping boy!*

Have the hatemongers anything they find it necessary to conceal? Have the hatemongers been carrying water on both shoulders? Have the hatemongers been camouflaging un-American, non-American and anti-American attitudes and activities with patriotic and religious pretensions? Double-talk by two-faced individuals or organizations endangers the security of this nation and the peace of the world in this modern nuclear age of intercontinental ballistic missiles fitted with hydrogen-bomb war-heads!

[redacted] according to the Credit Bureau record, has in the past worked intermittently as a free lance writer, although she is not well known in that profession.

The records of the NY County Board of Elections, as reviewed by SE [redacted] on 7/14/55, reflect BENJAMIN and [redacted] Apartment 2W, 960 Park Avenue, were born in the US and registered for the years 1949 through 1954, indicating preference for one of the two major political parties.

Election records failed to reflect any information concerning Mrs. PAULINE SCHOENDORF.

The files of the NYO contain numerous references to BENJAMIN H. FREEDMAN, 960 Park Ave. and 300 Central Park West, which reflect that in 1950 he executed an affidavit which stated categorically that ANNA M. ROSENBERG, recently appointed Assistant Secretary of Defense, had attended meetings of the John Reed Club in NYC. This information precipitated an extensive investigation by this Bureau which subsequently disproved the allegation and consideration was given to indicting FREEDMAN and [redacted] for perjury.

b6
b7C

FREEDMAN formed the "League for Peace With Justice in Palestine", and has been closely associated with the Arab Government and the "Arab Office in America." FREEDMAN has been openly anti-Zionist and has at considerable personal expense fought Zionist efforts in Palestine and given support to the anti-Zionist publication "Common Sense". He has been referred to as a loyal American, anti-Communist and has been both cooperative and uncooperative when contacted by Bureau agents.

FREEDMAN, in connection with a libel suit against WALTER WINCHEL and the Hearst Publications, Inc., subpoenaed.

SA JAMES P. MARTIN to testify on his behalf and continued to insist on calling SA MARTIN to take the stand even after being advised that SA MARTIN in compliance with Executive Order 3229, would be unable to testify. In open court and subsequent to SA MARTIN's having refused to testify, FREEDMAN addressed the court stating that he would never have subpoenaed SA MARTIN if he had been aware of the Executive Order prohibiting SA MARTIN from testifying.

The NYO by letter to the Bureau, dated 9/12/47, captioned "Anti-Nazi League, SM-C," recommended that no further contact be had with BENJAMIN H. FREEDMAN due to his instability.

Investigation to date has failed to identify the particular individual residing at Apartment 2W, 960 Park Avenue, who corresponded with the PUND. It is felt, however, that the only plausible means of identifying this individual would be by interviewing BENJAMIN FREEDMAN and this is not deemed prudent when considering the information set out above. This case therefore is being placed in a closed status and no further investigation is contemplated by the NYO.

that any useful purpose will be served in continuing the investiga-
tion concerning the contact by B.H.F. with [redacted] Investiga- (S) (U)
tion leading toward subsequent interview of FREEDMAN, may, in
fact, result in embarrassment to this Bureau. Accordingly this

Miscellaneous

Rebulet, dated 2/13/57, instructed that the NYO should search office files and contact established, reliable sources and security informants regarding "Fact for Fact" (FFF), and regarding "Foundation for Advanced Research Analysis" (FFARA), and that a recommendation be made to the Bureau as to whether additional investigation is warranted.

Rebulet, 3/4/57, indicated that Bureau files denote that BENJAMIN H. FREEDMAN, 960 Park Avenue, NY 28, NY, who is listed as the author of the article in FFF, is an unstable and violently anti-Zionist individual.

On 2/18/57, there was received in the NYO, through the mail, an envelope bearing the return name and address [redacted] [redacted], which enclosed another envelope bearing the return address, "BENJAMIN H. FREEDMAN, 960 Park Avenue, New York 28, New York". The second envelope which had been opened prior to its receipt at the NYO, was addressed to [redacted] and contained a copy of the January, 1957 issue of the publication FFF, which publication indicated on its face that it was published by the FFARA, 505 5th Avenue, NY 17, NY.

b6
b7C

The last two mentioned envelopes, together with the copy of the January, 1957 issue of FFF forwarded by [redacted] by mail to the NYO in said envelopes, are being maintained as an exhibit in the file on this case in the NYO. Accordingly, the enclosures forwarded in referenced letters of the WFO, of the Butte Office and of the St. Louis Office to NY have been destroyed.

b6
b7C

It is noted that rebulet dated 2/13/57 indicates that the Bureau is already in possession of the January, 1957 issue of FFF.

The files of the NYO contain no pertinent information identifiable with publication FFF or with the organization FFARA.

The January, 1957 issue of FFF contains only one article, namely an article captioned, "Whose Blood Will Flow Next in Palestine Now Answered", and the article indicates

~~CONFIDENTIAL~~

~~SECRET~~

that the writer is BENJAMIN H. FREEDMAN.

There have been many references to ^{said} BENJAMIN H. FREEDMAN in Bureau files and in particular, attention is drawn to the case entitled, ^{"ALLEGED MEMBERSHIP OF ANNA M. ROSENBERG IN THE JOHN REED CLUB, PERJURY (BUF.126-486),} wherein some investigation was conducted concerning BENJAMIN H. FREEDMAN and the latter's financial background.

Information from [redacted] Regarding FFF and FFARA and BENJAMIN H. FREEDMAN

b7D

Further, in regard to BENJAMIN H. FREEDMAN, it is noted that [redacted] (identity to be concealed), who has furnished reliable information in the past, on 12/28/56, advised SA [redacted] that BENJAMIN H. FREEDMAN had, for many years, been friendly with Arab officials in NYC and termed BENJAMIN H. FREEDMAN as a notorious anti-Semite who has been associated with and supported the publication, "Common Sense" for many years.

b6
b7C
b7D

It is noted that "Common Sense", published by the Christian Educational Association of Union, New Jersey, was characterized in a report issued on 12/17/54, by the Committee on Un-American Activities of the United States House of Representatives, as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the committee".

According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost exclusively to attacks on the Jewish, and, to a lesser extent, the Negro minorities.

On 2/20/57, [redacted] advised SA JAMES P. MARTIN that he is aware of the publication FFF and advised that so far as this source knows, the January, 1957 issue of FFF has been the only issue published. This source said that inquiry at 505 5th Avenue, NY, NY, had elicited information from [redacted] of that building that the FFARA occupies desk space at that building in one room where several commercial companies also occupy desk space, and that this desk space for FFARA had been rented by [redacted] (phonetic)

According to [redacted] at this building possessed no further identifying information concerning [redacted] (phonetic).

b6

b7D

Further on 2/20/57 [redacted] advised that BENJAMIN H. FREEDMAN is the individual behind the publication FFF. This source said that the January, 1957 issue of FFF consists only of one article, namely that by BENJAMIN H. FREEDMAN. In the past, according to this source, FREEDMAN has had his articles printed in the publication, "Common Sense", mentioned above, which is edited by CONDE MC GINLEY. [redacted]

b7D

However, according to this source, FREEDMAN had written an article entitled, "Christians Beware", which had appeared in the 10/15/56 issue of "Common Sense". Said article had attacked the movie entitled, "The Ten Commandments", as Jewish and Zionist propoganda, but had done so in a way that was offensive also to many Christians. This source said that thereafter, [redacted]

[redacted]

FREEDMAN then put out the January, 1957 issue of FFF, but [redacted] advised, on 2/20/57, that [redacted]

b7D

On 3/12/57, [redacted] advised SA JAMES P. MARTIN that BENJAMIN H. FREEDMAN has not put out any issue of FFF subsequent to the January, 1957 issue, and [redacted]

Director

Dear Sir: This A.M.

from 12 15 4. I
listened to "Long
John" W.O.R. He

had a person, per. att'd
Ben Friedman 100-67182-7
whose opinions Long

John (+1) disagreed.
This man believes,

he said; that Jews
forced Germany into
World War II. He
seemed nutty to me,
but some of the things
he said made me
wonder if he had
a part in what the
newspapers ^{have} described
as Nazi groups. As
I recall he said
that the Attentats
bombings - were by

111
1150 - called just
+ as many as I
could follow his
elaborate elucidation,
a "so-called" Jew
is a Communist.

b6
b7c

The whole thing was
peculiar, + for other
cut short the program.

I think that
my name may be

In your files, because!
when I worked in the
N.Y.C. Department
of Welfare, I went
to see your Director
about disloyal Americans
in the Dept. &
was one of your
agents came to me,
for an opinion.
Yours truly

**MUFTI MENTIONED
AT LIBEL HEARING**

**Anti-Nazi League Cites Cable
by Freedman of Organization
for Peace in Palestine**

Evidence introduced yesterday at a hearing in Mid-Manhattan Magistrates Court sought to link Benjamin H. Freedman, founder and secretary of the League for Peace with Justice in Palestine, with the Grand Mufti of Jerusalem and with the establishment of a sub-machine gun factory in Pakistan.

The hearing was on the application of Hallam M. Richardson, attorney for the league, for a criminal libel complaint against the "Non-Sectarian Anti-Nazi League, 165 West Forty-sixth Street. Mr. Richardson charged that the Rev. Henry A. Atkinson, chairman of the advisory board of the anti-Nazi league, had libeled the former in a twenty-page bulletin submitted to the United Nations General Assembly last November.

It titled "Pan-Arab Propaganda - Its Pro-Fascist and Pro-Nazi Aspects in America," the bulletin referred to the plaintiff as having "long been known in the halls of pro-Fascist propagandists." Magistrate Hyman Bushel, after hearing more testimony, either will rule that there are no grounds for action or will recommend further inquiry by the grand jury.

Cable Messages Cited

In cross-examination of Mr. Freedman, Julius L. Goldstein, attorney for the anti-Nazi league, read into the record two cable night letters that Mr. Freedman admitted having sent. One, to an associate in Cairo, read:

"Dearest brother. Letter received. Attending everything requested. Very busy United Nations situation. Extend His Eminence wishes for continued vision, courage, strength, struggle behalf justice his people. Giving him fullest cooperation. BENJAMIN H. FREEDMAN."

"Whom did you mean by 'His Eminence'?" Mr. Goldstein asked Mr. Freedman.

"Amin el-Husseini, the Grand Mufti of Jerusalem," the witness replied.

The second cable introduced by Mr. Goldstein was addressed to the Tri Ocean Corporation in Bombay. After several references to other business transactions, it read:

"Have negotiated immediate establishment Pakistan Thompson sub-machine gun factory, equipment available here. See letter. Battle hard. U. N. recommendation full Islam equality. All political determinations. Writing fully. Success. BEN FREEDMAN."

Records of Telephone Calls

Using records of long-distance telephone calls obtained from the New York Telephone Company, according to Mr. Goldstein, the lawyer declared that Mr. Freedman had made or attempted to make various calls to Loy Henderson, head of the State Department's Division of Near Eastern and African Affairs. Mr. Freedman also testified that he had made calls to Maj. Gen. George Van Horn Mosely and Lady Astor. As an outgrowth of the testimony and evidence, there were two developments outside the courtroom yesterday afternoon. The anti-Nazi league sent to F. F. Phipps, Indian delegate to the United

"Any association with the Grand Mufti was denied by Mr. Freedman, who said he would not "engage in any business having to do with killing people." He also declared that the Bombay message had nothing to do with machine guns, but did not amplify the statement.

Records of Telephone Calls

Using records of long-distance telephone calls obtained from the New York Telephone Company, according to Mr. Goldstein, the lawyer declared that Mr. Freedman had made or attempted to make various calls to Loy Henderson, head of the State Department's Division of Near Eastern and African Affairs. Mr. Freedman also testified that he had made calls to Maj. Gen. George Van Horn Moseley and Lady Astor.

As an outgrowth of the testimony and evidence there were two developments outside the courtroom yesterday afternoon. The anti-Nazi league sent to E. P. Pilla, Indian delegate to the United Nations, a message acquainting him with the information in the cable to Bombay.

Signed by James H. Sheldon, the message read: "Suggest you consider advisability of calling this situation to attention United Nations Security Council authorities as step toward creating condition apt to impair peace of world and patent device to evade present arms embargoes in Middle East."

Representative Arthur G. Klein of New York sent to President Truman, Secretary of State George C. Marshall and his special assistant on Palestine affairs, Maj. Gen. John H. Hilldring, telegrams urging suspension of Mr. Henderson and his subordinates on the basis of their "liaison" with Mr. Freedman. Mr. Klein called also for an investigation of the State Department for evidences of bias in the United States policy toward Palestine.

Ben Freedman In Court Avows Link to Mufti

Also Tells of 17 Calls to
Henderson, State Dept.;
Klein Demands Inquiry

By Milton Lewis

Benjamin H. Freedman, founder of the League for Peace with Justice in Palestine, was linked yesterday through his own testimony with the Grand Mufti of Jerusalem.

On the stand for four hours in Mid-Manhattan Magistrates Court, Mr. Freedman admitted on cross-examination that he sent a cable last September to Cairo in which he wrote he was giving the Grand Mufti "fullest co-operation." Mr. Freedman, who is in his fifties, said he was born of Jewish parents.

Moreover, he testified that he telephoned Loy W. Henderson, head of the State Department's Office of Near East and African Affairs, at least seventeen times and he also admitted that he (Freedman) sent a cable last October to Bombay, in which he said "have negotiated immediate establishment Pakistan Thompson sub-machine gun factory equipment available here."

As a result of his testimony, which did not elaborate on the phone calls, Representative Arthur G. Klein, Democrat-American Labor, of New York, urged President Truman yesterday to suspend Mr. Henderson and start a thorough departmental investigation. At the same time, the Non-Sectarian Anti-Nazi League petitioned India's representative to the United Nations to have the U. N. Security Council look in to the alleged attempt to send equipment to set up a machine gun plant in Pakistan as a violation of the arms embargo.

Mr. Freedman was originally put on the stand by Hallam M. Richardson, counsel for the League for Peace with Justice in Palestine. Mr. Richardson has brought a criminal libel action against the Rev. Dr. Henry A. Atkinson, chairman of the national advisory board of the Non-Sectarian Anti-Nazi League. Mr. Richardson charges that he has been damaged by references made to him in a twenty-page pamphlet submitted to the U. N. General Assembly last November by the anti-Nazi league.

On Page 11 of the pamphlet, which urged partition and is entitled "Pan-Arab Propaganda, Its Pro-Fascist and Pro-Nazi Aspects in America." Mr. Richardson is referred to as "long been known in the halls of pro-fascist propagandists." The lawyer formerly had been counsel for Joe McWilliams, Yorkville anti-Semite and rabble rouser, last reported in Chicago.

The testimony was given before Magistrate Hyman Bushel, who will decide whether the lawyer has grounds for action. Should the judge decide in the affirmative, the matter may be presented to a grand jury for possible action. There had been several hearings in the case before the judge prior to yesterday.

The only witness yesterday was Mr. Freedman, who identified

The only witness yesterday was Mr. Freedman, who identified himself as secretary of the League for Peace With Justice in Palestine, which was founded in May, 1946. He gave its address as Post Office Box 228, Station F, New York, and his home address as 300 Central Park West.

Would Let People Decide

"I believe the people of Palestine," Mr. Freedman testified after saying "the Jews have" excommunicated "—should be allowed to determine their own political destiny without outside interference." The majority opinion should prevail."

On cross examination by Julius L. Goldstein, counsel for the anti-Nazi league, Mr. Freedman admitted that last Sept. 7, he sent a cable to Ahmad Hussein, in Cairo. Hussein was identified by Mr. Goldstein as head of the Young Egypt party, a nationalist group. The cable follows:

"Dearest Brother. Letter received. Attending everything requested. Very busy United Nations situation. Writing fully this week. Extend his eminence wishes for continued vision, courage, strength, struggle, behalf justice his people. Giving him fullest cooperation. Family send love to you all. Signed: Benjamin H. Freedman."

Mr. Freedman identified "his eminence" as Haj Amin El Hussein, the Grand Mufti of Jerusalem. The Grand Mufti was on the side of Hitler during the war.

Mr. Freedman, who said he was a retired industrialist, also said he had sent a cable last Oct. 17 to Tri Ocean, Bombay, India. Tri Ocean he said was "a business operated by a man in Karachi or Bombay." The cable said in part:

"Have negotiated immediate establishment Pakistan Thompson sub-machine gun factory equipment available here. See letter. Battle hard. U. N. recommendation full Islam equality. All political determinations. Writing fully. Success. Signed: Ben Freedman."

Mr. Freedman, who parried many questions, observed at one point: "The Zionists retired me. Zionist pressure seems to kill off all my attempts to engage in business."

"I would not engage in any business having to do with killing people," he testified at another point and denied that the message Bombay had anything to do

My dear

One of our very good mutual friends insisted that I write to you. In his considered opinion contact with me will better enable you to adjust your sights in our war against the conspirators who plan to rule the world and ruin us.

You might have very good reason for considering me presumptuous for asserting that it is your duty to study and act upon the facts stated in this letter. My justification is that the security of the nation and the preservation of our God-given rights depends upon the collective attitude of men of your capacity and standing, and what action you take in the very near future.

The sole purpose of this letter is to give something to you, not to ask anything from you. You may be sure there are absolutely no "ifs", "ands", or "buts" on that score.

This nation stands today with one foot in the grave and the other on a banana peel. This applies to the civilization we cherish also. This is not the time for a wrong move. A wrong move now is not to make the right move while we still have the time to do so. The right move can still be made. It cannot fail.

The expenditure of another One Hundred Billion Dollars for defense year after year will not buy security. That program is pushing us to the brink of national suicide. That program is driving the last nail into the coffin of this nation. The invisible impact of that policy upon our political, social, and economic systems is rapidly robbing us of the things which are more precious to us than life itself. These can neither be protected nor preserved by the personal possession of wealth alone. Will history in the future teach that history had taught us nothing?

This nation can survive only if it has the preponderant majority of the world's population as trusted and trusting friends. They must remain our friends in fact and not in name only. This nation has lost about every real friend it ever had. And what makes matters even worse, our stupidity and cupidity are converting former friends into bitter enemies. This nation soon will find itself in

the dangerous situation, but involuntarily, of complete isolation. Our only "allies" will be those nations we can afford to "hire" like the paid mercenaries of old. Such "allies" become liabilities, not assets.

Today approximately 400,000,000 Moslems occupy that very strategic territory extending along the "underbelly" of the Soviet Union in Europe and in Asia. These 400,000,000 Moslems occupy the broad belt stretching across Africa, Europe and Asia from Atlantic to Pacific. With this enormous reservoir of friendly manpower, with this tremendous reserve of vital natural resources, and with these strategic areas all once again our dependable auxiliaries, the Soviet Union will "wither on the vine".

The Soviet Union will NEVER risk a war with the United States if the 400,000,000 Moslems located along their entire "underbelly" again become, and remain, our trusted and trusting friends, not our enemies, which happens to be the case today. Therein lies our security and our salvation. "There are none so blind as those who will not see".

The boys in your family who wore our uniform in the recent war were your quota of the 14,500,000 boys in our armed forces, about 10% of our 145,000,000 total population then. On the basis of 10% of their 400,000,000 population, the Moslems can put 40,000,000 men into the field to defend their inalienable God-given rights and to resist aggression against their homelands. With equal training and the best equipment there are no better soldiers in the world than Moslems.

The 15,000,000 available American boys should defend only their own homeland. The 40,000,000 available Moslems should defend only their homelands in the Near East, Middle East, Far East and North Africa, and they can be relied upon to do so successfully. Trained and equipped, the 157,000,000 Western Europeans will be able to put up a successful defense against improbable Soviet Union aggression, if they choose to do so. If they do not, is it our job? Let us see that they have a sufficient incentive to defend their nation against conquest and subjection to slavery.

The world's 400,000,000 Moslems are not only willing to again become our friends but they are most anxious to do so. They ask nothing. They make no demands. They only suggest that we practise what we preach. That is all they now seek from us, not our dollars.

By force of circumstances beyond your power to control, you have now become a very important link in the only chain which can still pull us out of the predicament in which we now find ourselves. Can you conscientiously deny me just thirty minutes of your time?

Very respectfully,

Benjamin Harrison Freedman

[REDACTED]

It was indeed a source of great pleasure to me to renew the delightful relationship with you when we again met yesterday. Since our interesting talks more than ten years ago you have been in my mind many times. It has always been to me a keen regret that our relationship did not ripen to produce a more realistic form of fruit. Our exchange of understanding on the subject which first brought us together indicated the possibility of a more constructive approach to a problem which was so little understood at that time by those whose ignorance or indifference to incontestable historic fact shaped the policies responsible for the present impasse in the Middle East.

If it is agreeable and convenient for you it would give me great pleasure to meet again with you at any time and place you select. Your time must be very precious to you in view of your responsibilities and obligations during your present visit to this session of United Nations General Assembly. However you may be able to crowd me into your very heavy schedule if the opportunity presents itself. If you are not able to do so I shall assume that other more pressing and important matters have the prior claim upon your limited time.

May I take this opportunity to assure you that I have no desire or intention to take up with you as a topic of conversation any question involving our respective governments. It would be quite improper and out of order for me to do so and I would not want to put you in the position of discussing any matter with me which is exclusively reserved to our governments as official business. It would neither be appropriate or proper for either of us to go into such matters.

The interesting topic which we discussed so many years ago still interests me considerably. It is totally outside the sphere of the questions which hold a mutual interest by our respective governments today. On my part I feel that my government can offer no reason why we cannot renew our mutual personal interest in the historic subject with which you are so very well informed as our previous conversations indicated to me. No harm can possibly come to either of our countries as a result of our exchange of ideas and much good may come from it for all parties concerned in the search for universal peace, I truly believe.

Please believe me to be,

Cordially and sincerely,

Ben H. Friedman

WASHINGTON, Nov. 7.—There's a bitter struggle for control going on in the U.S. Communist party.
The final round will be fought Dec. 10 to 13 in a New York City hotel.
Likely result is new, tougher, more aggressive leadership under a top-flight organizer... a man able to whip the party into shape. This means more trouble from the Communists in 1960 and 1961.
Probable winner: Gus Hall... real name Arvo Halberg... aged 49; height 5'11"; weight 220 pounds; build heavy.

In October, 1951, charged with conspiracy to obstruct the operations of the U.S. government by force and violence. Convicted. Went underground as a fugitive from justice. Captured on the Mexican border. In jail six years.
Men who know Gus Hall say he's like a bull in a china shop... determined on direct methods... and noncompromising.
Hall is hard, tough, affable on the outside, tough as nails inside... ruthless... strong for hair-fine party discipline.

JEW HEADS U. S. COMMUNIST PARTY

The U.S. Communist Party elected the Jew Arvo Halberg, alias Gus Hall, as its official leader at its convention in a Harlem hotel in New York City which ended Dec. 14, 1959. The Jews have always controlled the Communist party, and always will, but this is the first time for a Jew to openly be the top red. The real head of U.S. Communists for many years was the Jew Gerhardt Eisler until a Congressional Committee exposed him. The F.B.I. willingly let him escape to East Germany where he is now ruling and persecuting White Christians. The Jew Eisler always used Gentiles, such as Earl Browder, to front for him. After Eisler fled the country, Hall became the top power in the Communist party and used a stupid Gentile, Eugene Dennis, as his front man to conceal Jewish control. It is a big surprise to now see the Jew Gus Hall openly step forth as the chief Communist in America. (See photostats)

As further proof that Communism is a Jewish conspiracy to conquer the world read the article (photostat) on this page which was written by a Jewish newspaperman to the Jew-owned New York Times. It reveals that Communism in Poland is Jewish and only kept in power with Soviet Russian guns. The article admits that the White Christian Poles are so strong against the Jews and Communism that the Jew communist rulers have to rule from the background.

The Communist Party is like the NAACP. A Jew is now the official head of the Communist party with a negro, Benjamin Davis, as his official 2nd in command. The Jew Arthur Spingarn is the official head of the NAACP with a negro, Roy Wilkins as his official 2nd in command.

Due to Jewish control of the Democratic and Republican parties and the F.B.I., the red termites operate freely in America. That is why they prefer the old and rotten two-party system with no real differences between them. When the National States Rights Party is elected to power, we will get rid of all those Communist likes. Vote against Communism & race-mixing by voting for the National States Rights Party!

U.S. Reds Elect Gus Hall As Chief

By The Associated Press

New York, Dec. 14.—The Communist Party of the United States elected Gus Hall its new leader today.

Hall, former Midwest chairman of the party and an ex-convict, replaced the ailing Eugene Dennis in the party's top post.

Under the change the post of national secretary became the No. 2 spot. Benjamin J. Davis, New York state party

chairman, was elected to fill it. Hall, of Cleveland, was one of the Communist leaders convicted under the Smith Act. He jumped his bond and served five years in prison after he was caught.

Davis also was convicted under the Smith Act.

The Story Of Poland

By A. M. ROSENTHAL

New York Times News Service

Vienna, Dec. 1.—Poland's Communist Party, placed in power and kept in power only by Soviet might, has been thrown into confusion and bitterness by a leader it once followed out of hope and now follows out of desperation.

The fear is heavy in the party ranks — where nuances are of supreme importance — that Gomulka is so intent about establishing the power of the party and so heavy-handed that whether he wills it or not, he is re-creating the influence of the Stalinists.

Some of the party's leaders are Jews and many of its organizers, killed in the purges, were Jews. The Polish Communist Government has fought anti-Semitism in the country and has a better record on that score than any other Communist government.

But deep-seated anti-Semitism is a part of Polish life and the party apparatus reflects it. A Polish Jewish Communist official leader once told this reporter that Polish Jewish Communists had learned that the party wanted them to fade into the background so as not to "run counter to opinion."

"I think more than twice myself about hiring a Jewish stenographer," he said.

Rape Victim's Child Can't Erase Night Of Horror

F. B. I. PROTECTS NEGRO RAPISTS

By BONITA APPLETON
Daily News Staff Writer

A four year old blonde with bright, laughing, brown eyes stops dead in her tracks, covers her face with her tiny hands, and cries with fear everytime she sees a Negro. Any Negro. Anywhere.

And her soft spoken mother is constantly reminded of a night of pain and sharp terror by her daughter's childish questions, asked again and again as if it were engraved in her brain: "Mommy, did a Negro rape you?"

"I have to tell her 'yes,'" said the victim of M. C. Parker's savage assault.

"She talks about it often."

The young mother said, "In the middle of playing she'll stop and ask me that question. She's scared to death of a Negro now. She used to not be afraid of anyone. She saw her picture in the newspaper

of a brutal attack by Mack C. Parker, troublemaking ex-soldier and Lumberton Negro woodcutter. He was identified as the man who snatched the 23-year-old woman and her daughter from their stalled auto and raped the young woman while her daughter watched.

A hooded mob took him from the Pearl River county jail at Poplarville and slew him three days before he was to have gone on trial for the attack.

Authorities said there was little doubt he was guilty. And they revealed a stack of evidence which they believe would have proved his guilty.

Here is the victim's story as she told it exclusively to the Jackson Daily News at her home in Petal, Miss.

She seldom works. Jigsaw puzzles anymore because she's too nervous to sit still. She has good reason to be nervous.

"When the Negro came back I didn't see him until he stopped his car behind ours. He came up to the window where I was sitting in the front seat and surprised me. The windows were closed and the doors were locked and I was holding the door on my side so he couldn't get in.

"He asked me if we needed any help," the young woman continued. "I told him no and thanked him. He told me to get out of the car."

BREAKS WINDOW

It wasn't until M. C. Parker used the butt of the gun in his hand to break out the car window that his victim screamed.

"He told me, 'don't scream or I'll kill you and the little girl too,'" the woman said.

After the Negro stopped the car, the woman said he told her he had to wrap the gun in the cloth that was around his cut hand "so he wouldn't leave any fingerprints on the gun. He threw the gun down on the front dashboard and then he picked it up and threw it in the back," she said.

"I told him I was pregnant and I didn't want anything to happen to my baby," she said. "He said that didn't make much difference to him because he had heard that excuse so much it didn't matter. He put his arms around my neck and began kissing me and said 'if you don't do what I want you to I'll kill you right now.'"

F. B. I. PROTECTS NEGRO RAPISTS

By BONITA APPLETON
Daily News Staff Writer

A four year old blonde with bright, laughing, brown eyes stops dead in her tracks, covers her face with her tiny hands, and cries with fear everytime she sees a Negro. Any Negro. Anywhere.

And her soft spoken mother is constantly reminded of a night of pain and sharp terror by her daughter's childish questions, asked again and again as if it were engraved in her brain: "Mommy, did a Negro rape you?"

"I have to tell her 'yes,' said the victim of M. C. Parker's savage assault.

"She talks about it often,"

the young mother said. "In the middle of playing she'll stop and ask me that question. She's scared to death of a Negro now. She used to not be afraid of anyone. She saw his picture in the newspaper and everytime she sees a Negro now she'll ask me, 'Mommy, is that the one who raped you?' I tell her, 'no, that's not the one.'"

This is a young white woman speaking. She's the sort of typical young housewife whose main interest is building a home, keeping it spotless and taking care of her little girl. In her spare time she works jigsaw puzzles and occasionally reads the white Bible kept conspicuously in her living room because "every home

needs a Bible in it." She's a frail woman — her doctor told her months ago she has a heart condition that was not serious at the time but could become aggravated and she wears maternity clothes because she's four months pregnant.

The young woman, originally from New York state moved to Virginia when she was 10 years old. She came to Mississippi from Virginia nine years ago, "but people don't call me I speak with a northern accent," she said. Her husband is employed in a Hattiesburg plant and works part-time as a guitar player with a Hattiesburg band.

This round-faced, full-lipped young mother was the victim

of a brutal attack by Mack C. Parker, troublemaking ex-soldier and Lumberton Negro woodcutter. He was identified as the man who snatched the 23-year-old woman and her daughter from their stalled auto and raped the young woman while her daughter watched.

A hooded mob took him from the Pearl River county jail at Poplarville and slew him three days before he was to have gone on trial for the attack.

Authorities said there was little doubt he was guilty. And they revealed a stack of evidence which they believe would have proved his guilty.

Here is the victim's story as she told it exclusively to the Jackson Daily News at her home in Petal, Miss.

She seldom works jigsaw puzzles anymore because she's too nervous to sit still. She has good reason to be nervous.

February 24, was a dark, cloudy night — it was "just before raining" — when the car in which the young mother was riding with her husband broke down five miles from Lumberton, Miss. They were returning from a visit with relatives and their little girl was sleeping soundly in the back seat of the car.

FIVE-MILE WALK

"When the car broke down we decided that I would wait there because it was a five mile walk for help," the woman

said. "It was going to rain, I was two months pregnant and didn't think I ought to walk that far. My little girl was asleep and we didn't think anybody would bother us because we were on a public highway."

So the young husband set set out for Lumberton to call his step-father to come and help him with his car, and the young wife began her lonely wait.

"When the first car stopped and shined their light into our car I didn't know what to think," she said. "I was surprised and kind of afraid because I couldn't tell if they were white people or Negroes. Then they went away. It was

quiet and I wondered if my husband was all right.

"When the Negro came back I didn't see him until he stopped his car behind ours. He came up to the window where I was sitting in the front seat and surprised me. The windows were closed and the doors were locked and I was holding the door on my side so he couldn't get in.

"He asked me if we needed any help," the young woman continued. "I told him no and thanked him. He told me to get out of the car."

BREAKS WINDOW

It wasn't until M. C. Parker used the butt of the gun in his hand to break out the car window that his victim screamed.

"He told me, 'don't scream, or I'll kill you and the little girl too,'" the woman said.

She was sitting tensely and talking quickly — as if by doing so she could tell her story more easily. "He pulled us out of our car to the ground. My little girl was crying. He told me to make her stop crying. I tried to but I couldn't."

"He made us get into his car," she related. "It was dirty. We both got in the car on his side and he made me sit in the middle. He started driving down the highway and I begged him not to kill us. He told me he had just broken out of prison and he had killed five people so he wouldn't mind killing a few more. He had hit my little girl on the head and she was bleeding and he told me again to make her quit crying."

Parker drove on the left side of the road, his victim said. "When he turned off onto a narrow road just wide enough for one car, he told me he had to meet somebody there. At first he told me he had to meet his father. I asked him if his father knew he had broken out of prison and he said no. When he said he had to wait for a white man who was his partner. He told me not to be frightened. He kept pointing the gun at me and clicking it and he told me his arm was hurt and his hand was cut."

AFRAID FOR LIFE

Speaking low, the woman said "when he first came up and told us he had escaped from prison I thought he was just going to use us as hostages or something. I never did think about him raping me, it never entered my mind. I was afraid he was going to kill us because he threatened to kill both of us if I didn't keep my little girl quiet."

After the Negro stopped the car, the woman said he told her he had to wrap the gun in the cloth that was around his cut hand "so he wouldn't leave any fingerprints on the gun. He threw the gun down on the front floor-board and then he picked it up and threw it in the back," she said.

"I told him I was pregnant and I didn't want anything to happen to my baby," she said. "He said that didn't make much difference to him because he had heard that excuse so much it didn't matter. He put his arms around my neck and began kissing me and said 'if you don't do what I want you to I'll kill you right now.'"

CHOKED HER

"When he started to rape me I screamed and he jerked my scarf of my head (a purple and white silk scarf) and gagged me with it. Then he began choking me with his hands. I kept trying to fight him off but it didn't do any good. He said, 'I've not been with a woman for a long time and I'm pretty hot.'"

The attack occurred in the front seat of the Negro's car in the presence of the little four year old girl who witnessed the violation through her tears.

"He was dirty and his hands were greasy just like he had been working on a car," Parker's victim stammered involuntarily. "And he smelled bad. He had left grease marks on our car door when he broke in. He got grease on me and some on my underclothes where he put his hands on them."

The young woman has thrown the scarf away because "my husband kept looking at it."

"I kept begging him to stop and leave me alone," she recalled her night of horror. "I told him that my husband had some wins that had not been opened in our car and that he could have that. He finally told me to get out of his car and walk straight ahead and not to look back. I opened the car door on my side and got out with my daughter. He headed back toward the highway. I didn't look back until I got around a curve where he couldn't see me. My little girl looked back but nothing happened."

RAPE STORY, con-
tinued from P.2.

C STARTS RAINING

The young victim explained to her child that they were going to have to walk the highway for help "but we started out in the wrong direction. I was afraid he was going to come back. When we finally did get to the highway it began to rain and I was afraid no one was going to stop."

Always in the front of the frantic mother's mind was fear for her little girl's safety. "I didn't break down until we got to the highway," she said. "I had to keep hold of myself for her sake."

A passing truck driver stopped and took the mother and her child to Lumberton where the husband had stopped at a gas station. The night watchman or marshal or whatever he is was there and he called the Highway Patrol," the woman said. "We waited until they came and then went to the hospital where they checked me over but couldn't tell if I had gotten a disease. After we got through there, we had to go back to the spot where it happened and we saw the tire tracks and our footprints."

I was 5:30 a. m. when the young woman finally got home.

"I feel like it was just a terrible dream," she said, "only it wasn't a dream because it really happened to me. I'm trying to forget it but it gets worse every day. So much is going on, we're scared to death because we're afraid something will happen to one of us as a result of this."

"My little girl will never be able to forget it either. It will go with her for the rest of her life. Even when she grows up, she'll remember. The Lord must have been with us that night because I'm just thankful to God that he did not kill us."

After you have read the above article from The Jackson Daily News, you will understand why White people are opposed to racial integration. The race mixing FBI did nothing to protect the civil rights of the pregnant White mother or her innocent four year old daughter. That is easy to understand when you recall that the red FBI is the action arm of the Jew-communist race mixers and that FBI chief J. Edgar Hoover is influenced by the fact that he obviously has negro blood in his veins. Instead of protecting the Constitutional rights of the White mother and her daughter, the FBI gangsters violated federal laws and States Rights by subjecting the respectable White citizens of Poplarville and Pearl River County, Mississippi to an illegal reign of terror. They made criminal efforts to pin convictions on almost every White man in the County so they could claim they had solved the lynching case of negro Mark Parker, all in complete disregard of guilt or innocence or legal evidence. The FBI bums are now denouncing the honest officials of Pearl River County because they refuse to prosecute White citizens without any evidence as was done in the Atlanta synagogue bombing trial in which innocent George Bright was found to be NOT guilty.

The FBI report on the case is composed of lies, rumors and hearsay. Pearl River County Sheriff W. Osborne Moody says: "I just don't think they have anything to support a conviction. If they did, there would have been arrests when they were here." Sheriff Moody says he and his deputies have not been able to trace the lynchers and he obviously has more ability in his own county than the integrationist FBI. The FBI perverts care nothing about legal proof or law and order; their determined objective is to enforce the orders of the Communist-Jewish Conspiracy to integrate the races and place every White woman at the mercy of negro rapists.

The Honorable Ross Barnett becomes Governor of Mississippi in January, 1960. He has already denounced the FBI integrators for their criminal conduct in Mississippi and says he will stop them from violating the Constitutional rights of his State's free citizens. Following in the footsteps

The Honorable Ross Barnett becomes Governor of Mississippi in January, 1960. He has already denounced the FBI integrators for their criminal conduct in Mississippi and says he will stop them from violating the Constitutional rights of his State's free citizens. Following in the footsteps of Gov. Faubus of Arkansas and Gov. Patterson of Alabama, Gov. Barnett is the third courageous Southern governor to declare war against the un-American FBI. Gov. Patterson, "in defense of Freedom, said: "I promise to pack them out of the state as soon as I can. My advice to any Alabama official accosted or approached by these Federal agents or F.B.I. men is not to cooperate." Every loyal White citizen should follow that advice. Defend liberty!
* Stand up for States Rights! Don't talk to the F.B.I.
* Don't answer their trick questions! Slam your front door in their queer faces. Those three great governors are interested in protecting the White women of America from the FBI perverts who are giving the green light to all negro rapists. More power to those decent Southern governors. The National States Rights Party is also doing its part to protect white womanhood and calls upon all of the other governments to join the struggle to protect our precious White women!

Jews seek to control third party movements by using their money-power and stooges like Kent Courtney and his publications, known as "The Solid South & Independent American." The Jewish A.D.L. hopes to form a kosher political party in a vain attempt to head off the National States Rights Party in 1960. Among others, Courtney wants to run either Sen. Barry Goldwater or J. Edgar Hoover for President, one part Jewish and the other part negro. This is the perverted thinking of the man who wants the support of rank & file Citizens Council members and Segregationists while, at the same time, stabbing them in the back by refusing to support Segregation or the White Race. Don't be fooled. Courtney is working for the Jewish A.D.L. which controls him through his Jewish father-in-law. (See photostat from "RIGHT" newsletter, this page.) Courtney's publications seek White support, but never mention Segregation or the White Race.

HOW TO GET AHEAD

According to Kent Courtney, a clever money raiser from New Orleans who brags to close friends that he has raised \$75,000 so far this year, anyone who publicly recognizes the ADL of B'nai B'rith as the key subversive group in the country is a "Hate Monger." (Apparently it is alright with Courtney to say all you want to about the ADL privately for he assiduously carries the favor of dozens of partiotic leaders and monied citizens who are quite outspoken in private—but considerably less frank in public.)

Out of a clear blue sky, Courtney suddenly and-erously attacked thirty or more of America's most outstanding and long-time patriots, among whom was Admiral John G. Crommelin. Courtney widely mailed a form letter on October 13 ordering the recipient to "stay away" from his "New Party Rally" in Chicago later that month or he would have them arrested for "creating a nuisance!"

Perhaps Courtney's tactics and terminology alone are enough to reveal the most likely source of his strange and sudden zeal, for the ADL is a past master at getting ambitious self-seekers to lead crusades up blind alleys, and to split and divide Nationalists over phoney issues, like Courtney is trying so hard to do.

But Courtney's odd opinion of the ADL and Zionism is not shared by an increasing number of publications which, to now, have carefully avoided this dynamite-laden subject.

Possibly this last note has an intimate significance to fund-raiser Courtney. For his father-in-law's name is Fred Weiss and he is reported to be a key figure in the New Orleans branch of the Anti-Defamation League!

"KOL NIDRE"!

The following timely and interesting information is contained in a publication entitled "Facts are Facts," by Benjamin H. Freedman, 960 Park Ave., New York City, N. Y. "Facts are Facts" is a 62-page booklet (Price, \$1.00), in which Mr. Freedman questions a Dr. David Goldstein, LL.D., of Boston, Mass., concerning his conversion from the faith of a Jewish Rabbi to that of a Christian Cleric. Mr. Freedman, it appears, is puzzled by Dr. Goldstein's action, and seeks clarification of his motives. In fact, Mr. Freedman is so deeply concerned over Dr. Goldstein's apparent conversion to Christianity, that he prints in bold type, on the face of the booklet, the following statement: *

"The historic facts revealed here for the first time provide incontestable evidence that their continued suppression will prove inimical to the security of the nation, the peace of the world, the welfare of humanity, and the progress of civilization."

Regardless of the religious sincerity of ex-Rabbi Goldstein, the following passage, contained on page 35 of "Facts are Facts" is of **paramount educational interest** to every loyal American citizen of Christian faith. "Kol Nidre" is an alien and Anti-Christian mental-conditioner of such an extreme nature as to be almost unbelievable. However, the accuracy of the translation of Kol Nidre, which follows, has been checked with the Florida State Library, Tallahassee, Fla., and the so-called 'prayer' or oath, as quoted herewith, is authentic:

"FACTS ARE FACTS" — Page 35:

"In Volume VII of the Jewish Encyclopedia on page 539, found in the Library of Congress, the New York Public Library and libraries of all leading cities, will be found the official (All Vows) prayer. It is the prologue of the Day of Atonement services in the synagogues. It is recited three times by the standing congregation in concert with chanting rabbis at the altar. After the recital of the "Kol Nidre" (All Vows) prayer, the Day of Atonement religious ceremonies follow immediately. The Day of Atonement religious observances are the highest holy days of so-called or self-styled "Jews" and are celebrated as such throughout the world. The official translation into English of the "Kol Nidre" (All Vows) prayer follows:

"KOL NIDRE"

"All vows, obligations, oaths, anathemas, whether called 'konam', 'konas', or by any other name, which we may vow, or swear, or pledge, or whereby we may be bound, from this Day of Atonement unto the next, (whose happy coming we await), we do repent. May they be deemed absolved, forgiven, annulled, and void and made of no effect; they shall not bind us nor have power over us. The vows based upon the obligations shall not be obligatory;

Page five-A (5-A) of the Alabama Journal, Montgomery, Ala., Friday, Oct. 4th, 1957, and page one (1) of the Pensacola Journal, of Feb. 22, 1957, confirm the fact that "The Kol Nidre Service" is still in effect among Jewish groups now living in the South.

In the light of these admitted truths, what is now the status of Jewish individuals who annually take this religious vow? What is their true legal status in their local communities, in fraternal organizations, in lodges, in sworn secret-societies of combined memberships of Gentiles and Jews, in courts of law, in public office, or when registering to vote? Which oath is binding upon them; their religious "Kol Nidre" oath, or their civil oaths?

Is "Kol Nidre" the deeply-hidden, but real explanation for the unreasonable, arbitrary, and capricious decisions handed down since Black Monday, May 17, 1954, by Felix Frankfurter and his Jewish-dominated and Rabbi-instructed Supreme Court of the United States of America?

Does "Kol Nidre" in effect say, "the end justifies the means?" And if so, is not this the basic tenet of Communism?

relative to the content of this issue of "The Thunderbolt", particularly with respect to remarks about the FBI. The informant learned from J. B. STONER that the aims and purpose of the derisive article against the Director and the Bureau is to secure a reaction from the Bureau in attempting to have the NSRP retract the statements appearing in this publication. STONER felt that this could be publicized and would be used to advantage by the NSRP.

STONER told the informant that the use of the words "pervert" and "queer" were used to imply that the Director and FBI Agents have homosexual tendencies, while the words are ambiguous and subject to several interpretations. STONER told the informant that if difficulties arose in connection with their use it would be claimed that the wrong connotation was taken from them.

SUBJECT: BENJAMIN FRIEDMAN

b1
b3 50 USC 403-1(i)(1)

In evaluating the above information, it is indicated that BEN FRIEDMAN would be identifiable with the captioned individual who has been known over a period of years to the NYO as being extremely anti-Semitic and also on occasions in contact with UAR officials. A review has been made of captioned case file in order to properly evaluate the information furnished by the above source and it is felt that in view of FRIEDMAN'S past activities and his instability and eccentricity little significance can be attached to the comments of FRIEDMAN as furnished by the source. We have been most alert to any additional information along this line which would further clarify his comments. However, nothing has come to our attention. In the event additional data is received, this matter should be reevaluated.
